

Dear Parents:

Welcome to kindergarten! I look forward to working with all of you. In addition to our Christ-Light Bible stories and activities, reading readiness letter books, and “hands-on” math series, we will do some science experiments, based on the letter we are studying, enjoy music and rhythm, listen to stories, have snack time, art, crafts, and some drama activities.

Classes being promptly at 8:30. Please have your child in the classroom between 8:20 and 8:25 so that he/she can get settled (and play a bit) before we begin. Children who are late not only miss our opening prayer and activities, but cause disruption for the entire class. Children may be picked up at 11:30 in the classroom.

If your child has any food allergies, please inform me immediately, since we may do some cooking/baking during the year, and birthday treats are shared with other children.

I will need drivers for several field trips during the year, and I will inform you about those dates as the year progresses.

I will give you opportunity to order books from various book clubs during the year. If you are interested in purchasing books for your child, or for gifts, please complete the order form and return them with a check **payable to me** by the date on the form.

Every Friday we will have a mission offering in chapel. Each child will receive an envelope labeled “Mission Collection” on Thursday. At the end of each quarter our offerings will be sent to a special mission project.

You may send water bottles for your child especially during “hot” days, but please label them.

If you ever have questions or concerns, please feel free to get in touch with me.

School phone (602) 843-3853
